FULL TIME EMPLOYMENT OPPORTUNITIES

Sensolutions Inc, located in Calgary and with offices in Germany and Taiwan and production facilities in Calgary, and in China. Sensolutions is a global market leader in automotive diagnostic components, and seamless vehicle iPod™ integration (we are an Apple MFi Partner). Our products are top of class in terms of design, reliability and cost efficiency.

Sensolutions customers are worldwide: ranging from end users to diagnostic and vehicle tuning software companies, to OEM suppliers and test facilities. Some of our customers are Chrysler North America, Honda of America, Lotus Cars UK, Magneti Marelli Brazil, Volvo Sweden.

Due to our continued growth, we have an fulltime permanent position available for:

Shipping and Customer Service Clerk (1)

Job Duties:
The core duties are to prepare, and manage outgoing shipments to end users, and provide customer support related to orders, and order shipments. This includes forum and email support, answering telephone questions, and providing assistance or direction in trouble shooting. Experience as a (customer) service representative with a European brand is an asset. For this position you should be able to work with minimal supervision.

- **Requirements:**
  - A degree from a recognized College or University.
  - Familiarity with shipping, and/or customer support procedures.
  - Excellent computer skills
  - Good understanding of vehicle electronics.

- Fluent in English (particularly in print) to express yourself efficiently and courteously “online” - a second European language is a strong asset.
- You have excellent communication Skills, straight forward and to the point, and meet deadlines to the **best** of your ability.
- You have a passion to succeed and outperform,
- You have a good technological aptitude, and a strong interest in automotive audio/entertainment or diagnostic technology.
- You know your cars!

Though we are a small company, work is never boring; we offer unique opportunities for career development with exposure to leading edge technologies. Our work environment is multilingual with employees from various nationalities that work as a well-oiled team.

Starting date:
Negotiable.

Work Schedule:
We have a 40 hr work week. Within our office hours -8:30 AM till 5:00 PM - we offer a flexible work schedule.

Salary:
Hourly wage is $18.00 to $24.00. Salary is depending on experience, skill set and ability to meet our screening requirements.

How to Apply
